Welcome to the Mount Beauty & District Chamber of Commerce!

We invite you to join us in helping to make the Upper Kiewa Valley not only a wonderful place to live, but a place where your business can grow; a place we can all do our bit to support the local economy and community, and provide employment opportunities.

As a member of the Chamber, you will be kept informed about local projects, grant opportunities and Alpine Shire Council proposals; be invited to attend local events; and have the right to vote at meetings (for full-time or part-time members only). Your business will also feature on the brand new mtbeauty.com and visitmtbeauty.com website, as well as in our new local business directory – two new and exciting projects we're getting ready to launch in the near future.

The Chamber's role is to assist local businesses, represent businesses in the Local Government Area, be informed about local issues and present them to businesses, the Alpine Shire or other representatives.

By signing this application, you agree that you:

- a) Wish to become a member of the Association,
- b) Support the purposes of the Association; and,
- c) Agree to abide by the rules of the Association.
